Paul Mitchell The School Rapid City

SCHOOL FACILITIES

Our programs offer the challenge of a stimulating and rewarding career. Paul Mitchell The School Rapid City is fully equipped to meet all the demands of a full service salon experience, while at the same time providing a high-tech atmosphere and culture for progressive, positive, personal development.The 13,600 square-foot one level facility includes a student lounge and lockers, service desk experience and clinic classroom areas, management offices, private classrooms, workstations, and equipment.

We are located in the heart of the beautiful Black Hills, in downtown Rapid City in Tuscany Square Shopping Center on the corner of 3rd and Omaha Street.

We could accommodate over 100 massage, cosmetology, esthetics, and nail students comfortably. However, we limit our class sizes and offer continuous start dates to provide a more personal education experience without having to have waitlists. We take pride in our curriculum, going above and beyond by adding advanced education classes in hair, skin, nails and massage, but more importantly to continue to provide our Learning Leaders with specialty training to train you.
